Variety at the end of the year

Online Auction of riding horses of Hannoveraner Verband on November 19

Verden. The 60 carefully selected show jumping and dressage talents of the last auction of the year have moved into their boxes at the facilities of the Niedersachsenhalle in Verden. On Saturday, November 19, riding horses and two-year-old young stallions will be auctioned online. Online bidding will start on Sunday, November 13. The final bidding for the riding horses will start at 2 p.m. CET on November 19 and for the youngster collection at 5.30 p.m. CET.

There is plenty of choice for a suitable new sport partner in this collection. The riding horse lot offers 46 dressage horses and 14 show jumpers. The two-year-old youngsters collection is represented by a total of 14 horses. Already the number one of the riding horse collection, San Serai ZK by Secret/Don Marcello (breeder and exhibitor: Torben zur Kammer, Munster) gives an indication of what the auction brochure has in store. The dam line of this four-year-old black gelding includes several offspring that are successful up to advanced (S**) level in the dressage arena. The show jumpers are in no way inferior and send with Cornet Sensation a Cornet Obolensky/Stakkato daughter (breeder: La Magnifica, Fauglia/ITA, exhibitor: Gestüt Eichenhain GmbH, Varste) into the race. Her dam St.Pr.St. Sensation is also dam of the Celle state stud stallion Perigueux, who carried Eva Bitter to the German Champion title in 2013 and was awarded the Grande Prize in the same year.

On Wednesday, November 16, the two-year-old youngsters will be delivered in Verden. On Wednesday and Friday, the collection will be presented in the Niedersachsenhalle. The show will be broadcast live on the internet and can be followed from home.
